To Whom It May Concern:

This letter is of acknowledgement and appreciation to the staff, from your company.

Since starting the fortnightly massage sessions on Thursday, June 12th my staff and I have, and still continue to enjoy the fortnightly massages.

Your staff that come to my office, have always conducted themselves in a highly professional manner. Their duty of care to my staff and also their delivery of service is of a very high standard.

I hope we can continue this arrangement on an ongoing basis.

Yours sincerely,

Rita Ruka
Services Manager
